MEMORANDUM FOR: Deputy Director for Intelligence
FROM: Director of Central Intelligence
SUBJECT: Nonaligned Movement

What do you think of looking ahead at the nonaligned movement -- whether it's gathering strength, what it's likely to mean for us for our policy, our relationships, intelligence as well as diplomatic; the current efforts of Egypt, Venezuela and Colombia and Venezuela for admission. Mubarak's reaction to the Libyan-Sudanese embroglio also raised this question in my mind.

Part of the research might involve consultation with the DDO geographic division directors to get their perception on this aspect.
